Reviews

A really great publication with lucid and perfect reasons. I have read through and i am confident that i am going to gonna read yet again yet again down the road. It is extremely difficult to leave it before concluding, once you begin to read the book.

HAUNTED HEREFORD

The History Press Ltd. Paperback. Book Condition: new. BRAND NEW, Haunted Hereford, David Phelps, For the unwary visitor, Hereford appears to be a peaceful place. But, for half its existence, it was a strategic centre in an often troubled and bloody border between England and Wales. It can be no surprise, then, that the city and the surrounding countryside hide dark secrets and uncanny events. From the ghost of a verger who brought down the cathedral tower to the unquiet spirit of a careless chemist, the city has a rich history of spectral phenomena. This book is no mere gazetteer, but an in-depth re-telling of the stories that will make you look at the place with fresh eyes, whether you are a tourist or resident.
