Reviews

These kinds of ebook is almost everything and got me to seeking ahead of time plus more. It really is filled with wisdom and knowledge I discovered this book from my i and dad advised this publication to learn.

(Sonny Bergstrom)

THE HEART OF THE MATTER: A CASE FOR MEANING IN A MATERIAL WORLD

iUniverse. Paperback. Book Condition: New. Paperback. 222 pages. Dimensions: 9.2in. x 6.0in. x 0.6in. Psychiatrist and Holocaust survivor Viktor Frankl said, Mans search for meaning is the primary motivation in his life. Yet some contemporary voices claim that increased knowledge of the material world must diminish our sense of meaning. Physicist Steven Weinberg said, The more the universe seems comprehensible, the more it also seems pointless. Many people hold the material and meaningful perspectives separate in their minds, in a state of uneasy truce. The Heart of the Matter: A Case for Meaning in a Material World tells us that this split vision is not necessary, and shows us how the two views can be harmonized to give depth to our picture of the world. It looks at current scientific observations from astronomy, biology and physics, as well as insights from mathematics, philosophy, psychology and religion. We are left with a sense of wonder at both the mechanics and the values of the world, the how and the why of events. This book will appeal to everyone fascinated by how our world works, and especially to those who wonder how such marvelous mechanisms can leave room for the values and purpose that give meaning to our lives, and to our world. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
