THE STREET SMART MBA: 10 PROVEN STRATEGIES FOR DRIVING BUSINESS SUCCESS

Apress, 2012. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: Business schools have long enticed students into their MBA programs with the promise that, after a short stint spent studying the ins and outs of the business world, they will be able to step right into the upper echelons of management or launch a business that soon has them flitting about the world in a private jet. "Sounds great," you say. "Sign me up!" Not so fast. Sure, business school might prove a necessary prerequisite for those aiming to gain employment at a large financial institution, land a job with a consultancy, or accelerate their journey to managerial superstardom at a Fortune 500 company. But for aspiring entrepreneurs and established business owners alike, the truth of the matter is this: The ability to get a business off the ground and running successfully is not the byproduct of toiling away in a classroom, learning esoteric subjects like the economics of competition. Rather, all it takes to start and run a truly successful business are a few sensible, time-proven techniques that have been needlessly forgotten in business innovators' haste to reinvent the wheel. That's why, in *The Street Smart MBA*, Steve Babitsky and James J. Mangraviti, Jr., encourage you to ditch class-or, better yet, ditch b-school altogether-and go back to the business basics with a series of ten simple steps that will do more for your company than the letters M, B, and A ever will. There are no forays into game theory in *The Street Smart MBA*, no parables, and no intellectualizing. Instead what you will find is a practical, easy-to-understand, step-by-step business strategy guide that encourages you to revive a handful of basic yet essential practices that many business owners have lost sight of,...
