Oh, you may not want to change the world (or you might) but for sure you want to be able to contribute to those around you, and to enjoy all that life has to offer. But it s hard to live a prosperous and purposeful life when every time you turn around there s some financial crisis - monthly bills that need to be paid and seem to never go away, and just when you think you can start to get ahead, the car breaks down, or you or someone in your family becomes ill.
