Reviews

The ebook is great and fantastic. We have read and i also am sure that i am going to likely to go through once again again down the road. Once you begin to read the book, it is extremely difficult to leave it before concluding.

(Erica Turcotte)

THE SCIENCE OF LIVING

Meredith Press. Hardcover. Book Condition: New. This item is printed on demand. Hardcover. 268 pages. THE SCIENCE OF MECHANICS- A CRITICAL AND HISTORICAL ACCOUNT OF ITS DEVELOPMENT by DR. ERNST MACH Originally published in 1919. TRANSLATORS PREFACE TO THE SECOND ENGLISH EDITION: SINCE the appearance of the first edition of the present translation of Machs Mechanics , the views which Professor Mach has advanced on the philoso phy of science have found wide and steadily increas ing acceptance. Many fruitful and elucidative con troversies have sprung from his discussions of the historical, logical, and psychological foundations of physical science, and in consideration of the great ideal success which his works have latterly met with in Continental Europe, the time seems ripe for a still wider dissemination of his views in English-speaking countries. The study of the history and theory of science is finding fuller and fuller recognition In our universities, and it ls to be hoped that the present ex emplary treatment of the simplest and most typical branch of physics will stimulate further progress in this direction, The text of the present edition, which contains the extensive additions made by the author to the Die Mechanik in ihrer Entwicklung historisch-kritisch dargesiellt. Von Dr. Ernst Mach, Professor an der Universitat zu Wien. Mit 257 Abbildungen. First German edition, 1883. Fourth German edition, 1901. First edition of the English translation, Chicago, The Open Court Publishing Co. , 1893 latest German editions, has been thoroughly revised by the translator. All errors, either of substance or typography, so far as they have come to the trans lators notice, have been removed, and in many cases the phraseology has been altered. The sub-title of the work has, in compliance with certain criticisms, also been changed, to accord more with the wording of the original...
