

Time Series Analysis (Paperback)

Filesize: 4.86 MB

Reviews

This written pdf is great. It is really simplistic but surprises within the 50 percent of the pdf. I realized this pdf from my dad and i advised this pdf to understand.
(Mr. Milford Jakubowski IV)

TIME SERIES ANALYSIS (PAPERBACK)

Springer-Verlag New York Inc., United States, 2010. Paperback. Book Condition: New. 2nd ed. Softcover of orig. ed. 2008. 254 x 178 mm. Language: English . Brand New Book. This book has been developed for a one-semester course usually attended by students in statistics, economics, business, engineering, and quantitative social sciences. A unique feature of this edition is its integration with the R computing environment. Basic applied statistics is assumed through multiple regression. Calculus is assumed only to the extent of minimizing sums of squares but a calculus-based introduction to statistics is necessary for a thorough understanding of some of the theory. Actual time series data drawn from various disciplines are used throughout the book to illustrate the methodology.
