Management Books 2000 Ltd, 2000. Paperback. Book Condition: new. BRAND NEW, Working Together in 90 Minutes, Keith Antoine, This is the next in the 'in Ninety Minutes' series, which offers the reader a comprehensive but easily read and easily digestible text, covering a specific topic in an hour and a half of study. Working Together looks closely at the essential characteristics of a successful team, drawing analogies from commerce, industry and sport and presents a range of highly effective ideas for improving the quality and cohesiveness of any team. What constitutes a team's performance, what are the minimum, optimum and super performance targets for the team? What constants must there be in the team's activities? Such questions are dealt with by example, practical tips and careful analogy. This is an excellent book for any organisation which has teams of people working towards their goals, whether at top management level or simple but essential co-operation at shop floor or office floor level. Based on practical experience, this will enhance performance throughout the business.
