Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.A deception of cosmic proportions is in our future, it is the Grand Plan of the Mysteries and moved along by spiritual forces. There is coming a global leadership that will be backed by supernatural powers and great signs and lying wonders. For it all to come about some changes must be made and that s why there is an aggressive worldwide movement to destroy national sovereignty of this nation and all nations for they must merge together as one and become part of a One World Government, One World Economy and a One World Religion. We all must become one. Seemingly taken from the pages of the Book of Revelation, they want to create a computer image that looks and acts like a man, they want to make a machine that lives and speaks like we humans do. Governments of the world are eagerly promoting it all and are providing tax money to fund the research. Most of us don t understand why they would want a machine that behaves like a man or why they want to build an artificial intelligent being that is smarter than all of us. And why is it that governments want to take away our money? Why do they want to restrict cash transactions? Do they not want us to have physical money in our hands so that the governments of the world can control all commerce? If there was no money, no paper bills nor coins, then all buying and selling would need to be done electronically. Should we not be concerned? Is it all a scripted Grand Plan that has been moving forward unnoticed for thousands...
