RISK AND CULTURE

University Press Group Ltd Okt 1983, 1983. Buch. Book Condition: Neu. 261x157x17 mm. Neuware - With flair and scholarly acumen, British anthropologist Mary Douglas (*Purity and Danger*) and Berkeley political scientist Aaron Wildavsky (*Speaking Truth to Power*) apply the yardstick of cultural bias to American society - and attack scientific objectivity, in the bargain. What is it, they ask, that Americans fear? Why have we, above all other modern societies, fostered strong environmental groups, concerned with single issues (like the...

A very amazing publication with perfect and lucid information. We have read through and that i am certain that i will planning to study once more yet again in the future. You will not really feel monotony at anytime of the time (that's what catalogues are for about should you question me).
