AUTHORHOUSE, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Ministry Mess Management is directed principally at Christian ministry leaders and presumes that Christian ministry leaders subscribe to biblically based principles and Christ-centered management. It is our humble attempt to examine ministry failures and malperformance rooted in breeches of one or more of those biblical principles. We will demonstrate the close link between biblical principles and wise management, indeed a linkage based in God s reality. They go hand in hand. Necessary management decisions, including gritty and distasteful ones such as terminations, should be as much grounded in biblical principles as good management principles, not simply pragmatism or financial need. Furthermore, we invite you to think, and to frame, organizational behavior (and failure) within these values and wisdom. We wish to encourage, even urge, Christ-centered boards and managers to discerningly understand, detect and courageously be able to expeditiously act, yet with grace, out of a sense of biblical necessity in an organizational context when danger signs based both in biblical and sound management principles are flashing warnings. Governing and executive leadership are sobering responsibilities with, we believe, transcendent effects.
