Reviews

The very best publication i at any time study. It really is basic but shocks inside the fifty percent of the ebook. It is extremely difficult to leave it before concluding, once you begin to read the book.

Discover how to step up, own your space and make your job great. Be one of those who enjoy their jobs, get a real sense of satisfaction out of what they are doing, and blur the line between work and play. Did you know. .The average American dreads Monday morning, looks forward to the weekend, and hopes for the day when he can retire and enjoy life. .Only 17 of employees are in jobs that cater to their strengths. According to Gallup survey, 1 in 4 employees are engaged, willing to put in discretionary effort. .The largest cost to business today is caused by presenteeism, where employees show up for work physically but not mentally. One study measured productivity at around 30 of capacity. It is said that 95 of people go home from work unsatisfied. You don t have to be one of them! There are many who enjoy their jobs, get a real sense of satisfaction out of what they are doing, and really can t draw a line between work and play, because to them, they love what they do! It really happens, and you could be one of them. In *Make Your Job Great*, business performance architect Joanne Eckton takes you by the hand and walks you down the path to: *Discover and set your bosses expectations *Build trust with your boss and coworkers *Build credibility within your team *Challenge your comfort zone and step into a larger future *Expand your personal power through people *Create a life that lets you put your energy in things that matter most to you *Craft a future with passion,...
