Applied Science - Principles of Applied Science NQF specification
for first teaching from September 2012 (subject to accreditation
by Ofqual). This book covers all four mandatory units so
learners have relevant and specific content to complete the new
2012 award. It covers all the underpinning knowledge and
understanding needed at Level 2 to help learners prepare for this
course. Combining the expertise of the BTEC team, the content
looks at a learning, teaching and assessment point of view, with
renewed focus on assessment activities including the new
external assessment. Activities in each unit provide support and
guidance for learners and can be used in the classroom or for
independent work. The new BTEC Assessment Zone guides
learners through the challenges of both internal (units 2-4) and
external assessment (unit 1) with examiners tips and support for
external assessment. 208 pp. Englisch.
