Salariya Book Company Ltd. Paperback. Book Condition: new. BRAND NEW, Chronosphere: Bk. 1: Time Out of Time, Alex Woolf, Is your life rushing by too fast? No time to stop and smell the roses? Ever wanted a little time out? What if you could buy a year out of time, free to relax, play and party all you liked, safe in the knowledge that at the end of it all you'd be returned back to the moment you left? Ask Raffi Delgado. He knows all about it. Set in the late 22nd century, Chronosphere is a science fiction series which follows the adventures of teenager Raffi and his friends Dario, Jonah, Lastara and Sal in the Chronosphere, the place you go when you've bought time out of time. At first all is well, but something disturbing bubbles beneath the glossy exterior of the 'paradise' that is the Chronosphere. In Book One, 'Time Out of Time', teenagers go missing and the Secrocon Police start arresting people by dilating them to normal time, causing them to freeze. When Dario and Raffi are arrested and sent to a horrific subterranean gulag, they discover a girl who is living her life backwards, but why? And how? With mystery, fun, danger, twists and turns, Chronosphere is a mesmerising glimpse into a dark future where the fun of hoverbiking, air-tennis and trips to the holoplex are all held in check by the firm grip of a police state. For fans of the sci-fi genre and also those who are looking to get started.
