## Pork: A Global History

By Katharine M. Rogers

Reaktion Books. Hardback. Book Condition: new. BRAND NEW, Pork: A Global History, Katharine M. Rogers, Pork is the most widely eaten meat in the world. It formed the high point of Roman feasts and was the mainstay of the traditional working-class diet in Europe and North America for centuries. Today it remains popular in Western countries, while for the Chinese, 'meat' means pork unless otherwise specified. Almost every part of a pig is edible, and pork is the most versatile of meats - ranging from the rich, delicate succulence of a roast loin to the dry, salty assertiveness of ham and bacon. "Pork: A Global History" tells how pork, the favourite meat of rich Romans, was disparaged in later centuries as a useful meat for the middle and lower classes. European settlers brought pork to the Americas and barrel pork, kept submerged in a barrel of brine, became a staple of working-class people in the USA. Pork has always been prized by all classes in China. Beautifully illustrated and filled with recipes from around the world, Pork will be a necessary addition to the bookshelf of any lover of bacon, sausage or pork chops.

### Reviews

*This book may be worth purchasing. It typically fails to expense excessive. It is extremely difficult to leave it before concluding, once you begin to read the book.*

-- **Ken Watsica**

*It is not difficult in go through easier to understand. It normally fails to price too much. I am very happy to inform you that this is actually the greatest ebook i actually have read through within my personal lifestyle and can be he best publication for ever.*
