HarperCollins Publishers Inc, United States, 2013. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book. Sharon Tate was a promising young actress who received a Golden Globe nomination for her performance in Valley of the Dolls ; the beautiful wife of famous film director Roman Polanski; an expectant mother eight and a half months pregnant at the time of her murder; and a loving daughter and sister. Her brutal slaying and the homicides of her friends that same night are still etched in the public consciousness more than four decades later. The fortitude of Sharon s mother who fought the corrections system so victims loved ones could make an impact statement at the parole hearings of these criminals; the brushes with danger she faced staring down these murderers in person as she repeatedly appeared at their hearings and insured their extended incarceration; the harm she risked when she and other victim s families met with convicted felons to help further their understanding of the long-term effects of their actions; the rage Sharon s father had...
