By Trisha Torrey

Diagknowsis Media, United States, 2012. Paperback. Book Condition: New. 251 x 203 mm. Language: English . Brand New Book ***** Print on Demand *****. This description is for the 2015 updated version of this book. You've spent a career as a clinician, but feel as if you need to step away from the role so you can help patients get what they really need. OR. you've just spent years advocating for yourself or a loved one, and now you think you'd like to help others improve their healthcare experience, and make a living doing so. People like you, with heart and great skills, want to choose advocacy as a career. But many lack the business knowledge required to start and grow an independent practice. The Health Advocate's Start and Grow Your Own Practice Handbook is here to help! This book will help you get started. Whether you're starting up in the United States or Canada, it will answer your questions, such as: Can you make a living as a private, independent health advocate? How much does it cost to start an advocacy practice? What important details do you need to know regarding insurance, the law,...
