Satz (Trevose, PA United States) - \nOf the hundreds of computer/math/science/engineering books I have, this has got to be one of the prettiest. The screen shots are in full color and are very clear and legible; would that other computer books be so pleasant to read! This book is a step-by-step guide for setting up your wireless network painlessly. Get it, regardless of your level of computer skill; I run a systems engineering company, Transpower Corporation, in metropolitan Philadelphia--so I'm in the business, and even I learned a few new tricks. "I am an avid purchaser and reader of the Visual series, and they are the greatest computer books I've seen. Your books have definitely given me a greater understanding of my computer, and have taught me to use it more effectively. Thank you very much for the hard...
