

Non-Religious Funeral Readings: Philosophy and Poetry for Secular Services (Paperback)

Filesize: 7.15 MB

Reviews

An extremely great ebook with perfect and lucid answers. This is certainly for anyone who states that there was not a well worth looking at. It's been designed in an exceptionally simple way and is particularly only soon after I finished reading through this ebook in which actually transformed me, modify the way in my opinion.

NON-RELIGIOUS FUNERAL READINGS: PHILOSOPHY AND POETRY FOR SECULAR SERVICES (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2014. Paperback. Book Condition: New. 214 x 149 mm. Language: English . Brand New Book ***** Print on Demand *****. To live in hearts we leave behind is not to die. In recent years non-religious funerals have become more common, but without an established canon of readings to fall back on, it can be difficult to plan an appropriate service for a loved one who had no religious belief or connections. Readings recommended by secular humanists, especially modern texts, can sometimes sound trite or overly informal. This book, however, provides opening sentences, readings, and sentences for committal and/or dispersal from some of the greatest philosophers and writers in history including Marcus Aurelius, Plato, Christina Rossetti, Shakespeare and Rabindranath Tagore. They retain the solemnity, grandeur and dignity of the traditional language of Christian funerals found in the King James Bible and the Book of Common Prayer, but make no dogmatic references to religion, the supernatural or life after death; beliefs which many today do not or cannot hold. Instead, the readings offer a positive philosophical approach to death, and a celebration of the life and memory of the departed. This book will be suitable for anybody planning the funeral of a loved one, or for officiants at secular humanist funerals.
