John Wiley and Sons Ltd, United Kingdom, 2006. Hardback. Book Condition: New. 256 x 170 mm. Language: English . Brand New Book. Although the majority of construction work these days is carried out by sub-contractors, there are surprisingly few books dealing with building sub-contracts and the related law. This book provides a much welcomed guide to the new 2005 JCT Standard Building Sub-Contract (SBCSub and SBCSub/D), which is likely to be the regular sub-contract form used by contractors when letting works under the radically revised 2005 JCT Standard Building Contract. Peter Barnes, who has over 30 years experience of contractor/sub-contractor relationships, provides a clause by clause commentary on the sub-contract, highlighting practical issues and considering relevant case law. The book will be of interest not only to sub-contractors and main contractors, but also to other construction professionals and lawyers who need an understanding of the contractual relationship and allocation of risk between contractors and sub-contractors. The Author Peter Barnes MSc (Construction Law and Arbitration), DipICarb, FCIOB, FCI Arb, MRICS, is a Chartered Arbitrator, a registered adjudicator and a CI Arb trained mediator. He has been actively involved in the construction industry for almost 30 years and has a wide experience of many types of construction work, including building (both new build and refurbishment), civil engineering, and mechanical and electrical installations. He spent many years working for main contractors, undertaking both surveying and management roles, and during that time he has administered and settled a multitude of sub-contract accounts on a variety of different contracts. His experience with sub-contracts covers both simple and complex contracts and has involved detailed examination of contractual entitlements. His practical background has led to an in-depth understanding of the allocation of risks in contractor/sub-contractor relationships. Since becoming a consultant, Peter Barnes has represented many parties in both adjudications...
