Pneuma Springs Publishing, United Kingdom, 2006. Paperback. Book Condition: New. 206 x 146 mm. Language: English . Brand New Book ***** Print on Demand *****. This book brings clarity to many pertinent questions on healing; it is balanced, full of practical relevance and spiritual depth. The mix between theological arguments and spiritual truth is striking. It is not the typical, sometimes shallow Pentecostal expose but provides historical, biblical and practical perspectives that leave the title of the book fair and representative. The Wholesome Truth about Healing is an excellent writ; worth every page it is written on and comes highly recommend to every Christian. .Dr Albert Odulele, Senior Pastor, Glory House Churches, International This is a powerful book in an age where secularism, humanism and pluralism are invading the Church and its teachings; it is refreshing to have a prophetic voice bring us back to basics. This volume is academic, intellectual, informative but inspirational all at the same time. Its pages drip with depth and insight gleaned from years of learning and empirical study. This message of healing needs to be heard by every hearing ear and yearning heart. .Dr Jonathan Oloyede, Borough Dean - Newham, Churches Together in England The Wholesome truth about healing is indeed a complete and systematic presentation of biblical truths that uphold our heritage of healing. The author has capably proffered scripturally sound answers to several age-long questions that believers have asked. Scholarly excellence is exuded throughout the book. Christians of all theological persuasions would definitely find it most helpful. The book is essential reading for pastors, leaders, counselors, bible scholars and Christians alike. .Mr Richard Oyin-Adeniji, Project Coordinator, BASIC Trust International.
