AND THE ROUGH PLACES (PAPERBACK)

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Tension, struggle, conflict consume every dimension of existence. They fill the blank spaces between nature and human, tradition and modernity, improper and proper, real and surreal with the ghosts of their actions. Better communications, better health, better diet, better education, and prosperity are all laudable goals, but they come with costs and implications that we don't yet fully understand. The young couple, one in Beijing, the other in Houston, repulsed by the ugliness, greed, and pollution around them, have a virtual love affair in Second Life, a world of their creation where...
