The most effective publication i at any time read. We have study and i am sure that i will likely to read yet again once again in the foreseeable future. You will not truly feel monotony at anytime of your time (that's what catalogs are for about in the event you request me).

MY DAD'S MOTORS

Haynes Publishing Group. Paperback. Book Condition: new. BRAND NEW, My Dad's Motors, Adam Powley, Dear oh, dear - what were they thinking of? Did motor makers and marketers of yesteryear really think a virtually naked woman would sell a car? Has any driver ever bought a vehicle on the basis that he liked the look of the model draped seductively over its bonnet? It wouldn't happen in today's more enlightened world, but back in the later decades of the 20th century, sex apparently sold - and almost no car promotion of feature was complete without beautiful models in various unsubtle states of undress. To visit this odd world, take a drive down motoring memory lane to a decidedly less politically correct time - when sexism was clearly an alien concept to carmakers all too eager to exploit the female form. From supermodels to supercars, Page 3 'stunners' to motor-show exhibitionism, these curious images evoke the spirit of their strange times, revealing as much about the mentality of so-called 'liberated' attitudes as much as they did the female form.
