Raised in an orphanage after being found abandoned on the London docks as a newborn baby, without a known last name nor date of birth, Theodore has but one friend, Seth, a fellow orphan. Destiny takes Theodore away from Seth and back to the sea when he comes of age and is found an apprenticeship on a vessel in the English merchant navy. Thor, as he becomes known aboard ship, soon falls for Miguel, the handsome boatswain. However, his life is turned upside down when their ship is raided. Miguel is torn from his life and Thor is taken hostage and forced into the life of a pirate aboard The Dragon. A raid on a Dutch merchant ship brings yet another twist to Thors life when someone from his past is found on board. Thor now has to face hard choices, the most difficult of which involves deciding if he can leave the sea and make a new life on land with his rediscovered love. But...
