Brand New Book ***** Print on Demand *****.Habitan Book I: The Parallel Place Melissa, Michael and Annabelle were each separated from their parents as infants. Our story begins where they now live, together in an orphanage in northern Canada in the 1600 s. Discovering a strange kinship, they have become true friends, and support one another. But why do they feel they are meant to be somewhere else? Is this where they truly belong? Can they develop their innate powers and magical gifts soon enough to protect themselves and to help the Good of Habitan? Will they be reunited with their parents again? Who can they really trust? How can they save Habitan from the tyranny of Oskana s rule? Finally, how do the events on Habitan affect the Parallel Place, the earth they grew up on? The children discover that they may be Habitan s last hope for salvation from the evil sorceress Oskana. They face challenges and surprising twists along the way, all while also developing their own innate gifts and magic. As they begin the path to finding their own inner strength, they learn how to face unbearable odds with determination and courage, standing up for what is right...
