CreateSpace Independent Publishing Platform. Paperback. Book Condition: New. This item is printed on demand. Paperback. 42 pages. Dimensions: 9.0in. x 6.0in. x 0.1in. When I was younger, I used to pray that God change this one and that one so that I could be happy or have peace. Now, I know that God isn't going to change the world because I'm in it. He put ME here to make this world a better place to live in. It's not God's job to change people for me. It's MY job to be the change that's needed here. When I pray, I don't ask God to change people to accommodate me anymore because whether people want to live right or treat me well doesn't affect the peace, joy and contentment I feel inside. They can misbehave, curse me, lie on me, talk about me, be fake towards me, and attempt to hurt my feelings, it doesn't faze me. People are people and they will stay that way until kingdom comes. I have enough wisdom NOW that I know that I don't need the people I cross paths with to be good or be good TO me in order for me to be happy. There are people in this world, who have good and kind people around them, yet they STILL have no joy. Why? Because they have no inner peace. They choose to focus only on negative things and people instead of the positive. So you see, it's about what YOU decide to dwell on that will determine what level of joy you have and maintain. It's one thing to obtain it. It's another thing to MAINTAIN it. The peace I have is not by accident. Drama is something that I don't tolerate and anything that threatens my peace has to be removed...
