Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Tales of a Pathfinder The story of the highways is the story of mankind, whether in a state of barbarism or of civilization. The movement of primitive peoples has been by waterways and land-routes which, following lines of least resistance, often appropriated the trails made by wild animals. The movements of civilized men likewise followed the least resistive lines with the result that the great railways and the National highways coincide with the game-trails and the Indian paths of long ago. The ascent of man has been in direct ratio to the progress that has been made in the speed, safety, comfort and convenience of the movement of men and goods from one place to another. The wheel is the emblem of human progress. The supreme evolution of the wheel is the automobile. Already six and a half million automobiles are daily employed In speeding a third of the population of the United States along their way with the demand increasing so rapidly that the factories are unable to meet it. Every Intelligent citizen in...
