Kogan Page Ltd, United Kingdom, 2009. Paperback. Book Condition: New. 2nd Revised edition. 212 x 168 mm. Language: English . Brand New Book. This unique new edition provides essential preparation for graduates and managers who face numerical psychometric tests. Packed with plenty of expert tips, and with the emphasis firmly on acquiring the necessary key skills, no other book provides this level of support. A companion title to the successful *How to Pass Advanced Numeracy Tests* , it contains even more practice material and realistic timed mock tests. Crucially, these are relevant to the selection tests of many top organizations. The workbook format is conducive to learning, and detailed explanations of the answers and interpretations of scores mean that you can see which areas you need to improve on, and understand where you are going wrong.
