ECUMENISM MEANS YOU, TOO: ORDINARY CHRISTIANS AND THE QUEST FOR CHRISTIAN UNITY (PAPERBACK)

[DOWNLOAD](#)

Wipf Stock Publishers, United States, 2010. Paperback. Book Condition: New. annotated edition. 201 x 124 mm. Language: English . Brand New Book. Description: By all accounts, the modern ecumenical movement is not moving much these days. Despite dramatic breakthroughs in the past few decades, the quest for a visibly united church--in which there is common confession of the apostolic faith, full Eucharistic communion, and mutual recognition of members and ministers--now meets with indifference by many, impatience by some, and outright hostility by others. In part, this is because the movement has not given enough attention to grassroots ecumenical engagement. This book is written to convince ordinary Christians, especially young Christian adults, that they too have a stake in the future of the ecumenical movement as its most indispensable participants. Ecumenism Means You, Too draws on the music of Irish rock band U2 to cast artistic light on various aspects of the quest for Christian unity. Whether one is a U2 fan or not, and whether one thinks the ecumenical movement is a good thing or a bad thing for the church, everyone who reads this book will learn something about the Christian theological framework apart from which neither the modern ecumenical movement nor the meaning of U2 s music can be understood. The book includes an annotated bibliography of resources for ecumenical engagement and a glossary of key ecumenical terms for readers who want to learn more about the Christian practice of seeking the unity of the church. Endorsements: . . . at once profound and straightforward, deeply reflected yet highly accessible, theologically rich yet directly practical . . . a source of wisdom to be absorbed into the life-blood of each of our widely differing communities for their mutual enrichment . . . a superbly inviting and practical manifestation...
